

DECORATE SNACK BAGS

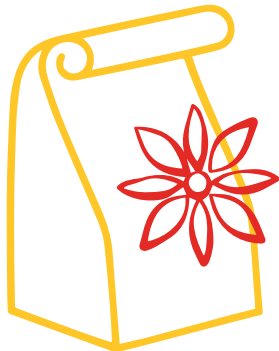

Ronald McDonald House®
of Western Michigan

Families staying at Ronald McDonald House of Western Michigan often spend long days at the hospital with their sick child. Providing snack bags provides much needed sustenance so families can focus on what's most important - healing. Each snack bag is filled with 4-5 individually packaged snack items for families to take with them while on-the-go.

With markers, pens, crayons, or pencils use your creative side to help bring some light to the snack bags!

NEED INSPIRATION?

- Use inspiring quotes and phrases like "You're Awesome!"
- Draw pictures like flowers, stars, animals, trucks, or a colorful design!
- Gather inspiration from the current season of holidays!

Due to the diversity of our families, **please avoid** using religious messaging. Please also do not use paint, feathers, stickers, glue, or glitter.
